DISCUSSION & REFLECTION QUESTIONS

- What stood out most to you from this sermon? Why?
- Why do you think it is important to look at the "pathways of God's grace" (or spiritual disciplines) as a means to an end and not an end in themselves? What is the end?
- How have you sought to put this practice of being formed by His Word into your regular life rhythms?
- What is one way the Lord has spoken to you in His word this past week?
