

# THIS WEEK AT MOUNTAIN VIEW

## ALL ABOUT KIDS!

Kids Camp is only days away, and we're so thankful for the 80+ volunteers who've worked hard to prepare for a fun and meaningful week—please **join us in praying** for smooth logistics, and more importantly, for all the little hearts to be open to the gospel! As a reminder, next Sunday June 29th, kids will join us in the main service as we give our amazing teachers a well-deserved break. Nursery will still be open for ages 0–4, and we'll have busy bags available to help keep older kids engaged.

## WHY BOULDER?

**JUNE 29TH | 12-1:30 PM | THE BOX**

This lunch is open to anyone wanting to learn more about MVCC's philosophy on Church Planting and specifically, what the hopes and goals are to plant a church in Boulder, CO in the next year. If you haven't had a chance yet to meet our Church Planting Resident—Calder Marriott, **join us for lunch and some vision casting** for the upcoming Boulder church plant. Scan the QR code to register!

## PRAY FOR OUR SUMMER MISSIONS TEAMS

What a gift it is to partner with the global Church and take part in God's kingdom work in the Czech Republic and Albania! Our Summer Missions Teams are preparing to go, with the first groups departing this week. Please be in prayer for them—asking God for protection, good health, and open hearts. Pray that each team member would be a light for Christ as they help with English and sports camps, and that their time would bring glory to God and lasting impact on everyone they meet.

## **HIDDEN PROVIDENCE—A STUDY THROUGH ESTHER**

### **FROM SORROW TO JOY**

*Esther 8*

**Main Idea:** God's deliverance brings joy to God's people.

**God Hears His People** (v. 1-8)

**God Delivers His People** (v. 9-14)

**God Transforms His People** (v. 15-17)

### **DISCUSSION & REFLECTION QUESTIONS**

- What stood out most to you from this sermon? What does God want you to do in response?
- Where are you tempted to stop crying out to God because the situation feels unchangeable? How have you seen God's hidden providence in the past?
- How does God's ultimate plan of rescue encourage you to act in faith rather than despair? How does having an "eternal mindset" equip you to face the reality of sin and suffering today?
- Is your life marked with joy? What are some ways you can reflect on the gospel on a daily basis to fuel your joy?
- How can our church reflect the joy and courage of a people who know God hears, delivers, and transforms?
