**DISCUSSION & REFLECTION QUESTIONS**

- What stood out most to you from this sermon? What does God want you to do in response?
- How does understanding God's glory change how you think of his holiness and power?
- What are some ways that the hope of glorification helps you engage well with suffering today? What does it practically mean that affliction is preparing for you an "eternal weight of glory" (2 Cor. 4:17)?
- How does the vision of a future free from the presence of sin shape your priorities or your relationships today? How might reflecting on this more regularly help you?
- In what ways are you tempted to doubt that the seemingly impossible work of sharing in God's glory has been made possible through Jesus?
