BAGELS AND BOULDER

Think you have to be a pastor or worship leader to plant a church? Think again! The body of Christ is made up of many members with unique gifts—and it takes all of us to see a new church take root. Want to learn more about church planting and how you can pray for the future church in Boulder, CO or get involved? Join us next **Sunday, September 21st**, after each service for bagels, coffee, and prayer.

DON'T BE LATE TO CLASS!

This fall we’re offering four 10-week classes designed to help you grow: **Gospel 101, Gospel Belief, Biblical Distinctives and Soul Care.** If you’re newer to Christianity or want a clear foundation in the gospel, *Gospel 101* is the perfect place to start. For those who want to go deeper, *Gospel Belief* explores key doctrines of the faith. All classes begin this **Tuesday, September 16th**. Use the QR code to register!

DISCUSSION & REFLECTION QUESTIONS

- What stood out most to you from this sermon? What does God want you to do in response?
- How does it make you feel knowing that the actions of the Good Samaritan were not an example to replicate, but instead an argument against self justification?
- How is Jesus your Good Samaritan? When are you tempted to believe that you are not as helpless as you truly are?
- Who might the Lord have in your path to show compassion to and be available for?
