DISCUSSION & REFLECTION QUESTIONS

- What stood out most to you from this sermon? What does God want you to do in response?
- In what ways does your heart chase after wealth, security, or status? Are there ways you equate a successful life with material possessions?
- Are there ways that you are building up treasure that you can't take with you? How does reflecting on the brevity of life lead you to want to change your priorities?
- What does it practically mean for you to be "rich toward God"?
- In which particular areas do you struggle with anxiety? Where do you tend to doubt that God will provide for you?
- How does the gospel - God's ultimate provision through Christ's finished work - challenge your assumptions about what matters most in life?
