

THIS WEEK AT MOUNTAIN VIEW

STUDENT MINISTRIES VISION DAY

We want to be a church that makes disciples by investing in the next generation. Our Student Ministries include Middle School and High School CREW, College Ministry, and Ethne International Students. There are many ways to serve and get involved with each of these ministries! Scan the QR code to fill out an interest form and join us for the upcoming **Vision Day on April 11th!**

CULTIVATE

MARCH 29TH | 6:30-8PM

As we approach the Easter Season, what better way to prepare our hearts for worship of the Risen King Jesus than with a night of prayer and worship?! No advance registration is necessary, we would just love our church body to prioritize this time together.

BOULDER HERE WE COME!

The newly named Boulder Community Church is starting to feel official! They received their 501c3 nonprofit status this week and have 19, out of the hoped-for 30, committed adults on the team excited to be sent later this year! As a church-planting-church, we see immense blessing in both sending and being sent. Join us in prayer for Boulder and for Calder and his team at the next Prayer&Vision event on **Sunday, March 22nd** after each service. Bagels and coffee will be available!

SPONSOR A CHILD

Praise God that more people in Nepal are coming to faith and joining the church through our ministry partners at Binay Church! Currently, they have **seven** young people waiting for a sponsor from our church family. Sponsorships range from \$30-\$50 per month and help provide school supplies, hygiene items, clothing, and food for a child or college student. Scan the QR Code to learn more!

Discussion & Reflection Questions

- What stood out most to you from this sermon? Why?
- If someone else assessed your life, would they say that you are *useful to others*? If so, what is your motivation for this?
- Who in your life is tangibly better off because you follow Jesus?
- Are there topics or controversies that take your focus off of loving others?
- Where are there areas of “urgent need”, either physical or spiritual, that you could address in the world around you with God’s help?
- What do you think would happen if Mountain View lived this out faithfully? How would it impact individuals and institutions in our community?
