

# THIS WEEK AT MOUNTAIN VIEW

## SUNDAY MORNING TEAM

Think back to your first day at MVCC. Who made you feel welcomed and seen? What made you come back? Making Christ known can be as simple as a cheerful greeting to someone new and as humble as serving behind the scenes brewing coffee. Stop by the Connect Table after the service today or scan the QR code to learn more about serving on the Sunday Morning Team!

## YA TOGETHER NIGHT

MAY 12 | 6:30 PM | THE BOX

Young Adults, join us for a night of dinner, connection, and meaningful conversation as we pursue Jesus together! Whether you're new to MVCC or already deeply connected, this evening is for you. Join us for what will feel like a larger LifeGroup setting, meet new people, and connect with community at YA Together Night! There is no advanced registration required—just grab a friend and show up!

## MEN'S BREAKFAST

JUNE 6 | 7:30 AM | THE BOX

We had over 100 men attend the Men's Dinner last weekend! The worship, fellowship, and teaching were all encouraging—and don't even get us started on the amazing brisket. Thankfully, we don't have to wait long to gather again! Join us for another Men's Breakfast on June 6, where we'll hear from Colton Buckner as he continues our theme of iron sharpening iron from Proverbs 28. Cost is \$5. Scan the QR code to register!

## WANT TO BE BAPTIZED?

We have the joy of celebrating five baptisms this morning as a church family—praise God for these testimonies of faith! If you've been considering baptism, we'd love to help you take that next step. Fill out the Baptism Interest Form on Church Center and learn more about our short baptism process. The next available baptism Sundays are **June 7 and July 19**.

## **FAMILY OF PROMISE**

### **JACOB'S DREAM**

*Genesis 28:10-22*

Main Idea: God's promises to us are not dependent on our strength or perfection but in the work of Jesus.

#### **Jacob's Life: unraveling**

#### **Jacob's Dream: staircase, angels, God**

#### **Jacob's Marveling:**

God's Faithfulness

God's Work (*2 Kings 6*)

God Came Down (*John 1:50-51*)

#### Discussion & Reflection Questions

- What stood out most to you from this sermon? Why?
- Does Jacob's situation in this passage resonate with your current season, or a prior one?
- When life is falling apart, what do you believe about God?
- What 'stairway' are you tempted to build to get to God?
- Is there a hard situation now where might God already be at work in your life?
- What would a genuine (not perfect) response to God look like for you this week?
