

THIS WEEK AT MOUNTAIN VIEW

MENTORSHIP FOR YOUNG MEN

Fathers in the Field is offering several opportunities to serve and disciple this summer. In addition to our Church Champion sponsored year-round mentor/boy pairings for fatherless boys ages 8–18—we are launching *Vice vs. Virtue*, a 3-month summer mentorship opportunity for dads, grandpas, mentors, or men who want to intentionally invest in their boy's life through discipleship and serving together. Discussion & Reflection Questions

- What stood out most to you from this sermon? Why?
- Where has God blessed you?
- How does recognizing that those blessings come from God impact your generosity with that gift? How does it change the way you view others who may not be blessed in that same area?
- When we think we are "self-made people," we often seek to protect what we have. What "self-protection strategies" are you tempted to employ in your life?
