Students entering 9th grade through recent grads are invited to a separate 4-week class on Thursday mornings, beginning July 9, focused on God's design for work and careers. ## SAVE THE DATE FOR CULTIVATE

AUGUST 2 | 6:30–8:00 PM

Mark your calendars! As summer winds down, Cultivate is a meaningful chance to slow down and re-orient your heart toward our amazing Savior. This simple, low-key night will focus on Scripture, worship, and prayer. No registration needed—we'd love to see you all there!

## PRAY FOR OUR SUMMER MISSIONS TEAMS

What a gift it is to partner with the global Church and take part in God's kingdom work in the Czech Republic and Albania! Our Summer Missions Teams are preparing to go, with the first team departing this week. Please pray that each team member would be a light for Christ as they help with English and sports camps, and that their time serving at camp would bring glory to God and lasting impact on everyone they meet.

Discussion & Reflection Questions

- What stood out most to you from this sermon? Why?
- How did favoritism contribute to the conflict in Joseph's family? What lessons can parents, grandparents, and other family members learn from this account?
- Joseph could not see what God was doing while he was being betrayed and sold into slavery. How does the truth of God's "hidden hand" encourage you when you face circumstances that seem confusing, painful, or unfair?
- Can you identify a difficult, disappointing, or even evil situation in your life through which God later brought about good? What did that experience teach you about God's providence?
- What similarities do you see between Joseph's life and the life of Jesus? How do these parallels help you better understand God's plan of redemption and cause you to worship Him?
