Discussion & Reflection Questions

- What stood out most to you from this sermon? Why?
- What stands out to you most about the fact that God chose to include Judah and Tamar in the lineage of Jesus? What does that teach us about God's grace toward broken people?
- Where are you most tempted to lose hope right now, and how does Genesis 38 challenge you to trust that God is still at work even when you can't see it?
- Is there an area of your life where you've been tempted to hide sin instead of confessing it? What would it look like to take one step toward confession and repentance this week?
