Discussion & Reflection Questions

- What stood out to you most from this sermon? Why?
- Is your obedience primarily a response to God's grace or an attempt to establish that you deserve His favor?
- Do you ever feel like belonging to God's people requires more from you than what Christ has already accomplished? How do you respond to this?
- How does culture, other Christians, or your own doubts pressure you to add requirements to your salvation?
- How does Christ's miraculous birth show God's initiative in saving you? How does your own spiritual rebirth affirm that you are a child of promise?
